UPDATED INFORMATION 4TH AUGUST 2020

Dear Pastors and Office bearers

The South Australian Government have recently announced a change of restrictions with regard to people gathering in private homes.

As from tonight, Tuesday 4th August, all South Australians are restricted to having no more than **ten people in their home** at any one time. This may impact on 'home church' or Bible Study groups that may be meeting in people's homes.

Please continue to be vigilant with regard to hygiene, social distancing and the handling and serving of food during these privately hosted events.

Congregations are requested to ensure that groups comply with this new requirement.

Weddings and Funerals are now restricted to 100 people plus essential staff.

It must be noted that social distancing must be maintained, and full contact listings are to be obtained and kept for a minimum of 28 days by the venue.

COVID-19 remains a significant threat to our community so please continue to abide by your state government's legislation.

Please note there have been no changes to restrictions for Northern Territory congregations.

The District Office continues to monitor all the government updates and will keep you informed of these as soon as possible, if appropriate to our Church.

If you have any questions or need assistance please contact the District Office on (08) 8267 5211 or administration.sa-nt@lca.org.au.

We pray that the Lord will be with you at this time.

The LCA SA-NT District Office
